(Contains water connection, device holder, connection, fan control, exhaust system with silencer, air intake system with silencer)

Note: Dedicated vehicle installation kits (LHD vehicles) are also available – details on request

List price £203.49

**GEMS Special Deal Price £ 173.00 + vat**

## Water Heating Systems

### Thermo 50 5.2kW Water Station

The Webasto Water Station acts as a central unit for the heating of the vessel's warm water heating system (such as radiators & fan heat exchangers). Additionally, domestic warm water is heated on demand using a Webasto Calorifier. The switching from central heating to domestic warm water heating is done automatically.

***Please note that due to the specialist nature of these products, pricing will be provide upon application***
