

Class I & II Motor Cycle MOT Bay Equipment

BT5000W MKII ROLLER BRAKE TESTER

The BT5000 MkII, undoubtedly the UK's most popular motorcycle roller brake tester, has been designed to comfortably test the brakes of all motorcycles regardless of size, weight or wheel size.

The neat, compact unit is fitted into the floor and all readings are taken from a wall mounted remote console, ensuring complete freedom from obstruction in the testing area. Testing could not be more simple – just ride on and the BT5000 MkII does the rest, testing the brakes and weighing the bike with a user-friendly remote control handset to command the operation. The combination of analogue and digital display provides valuable diagnostic information relevant to brake performance such as drum ovality.

To complete the professional image and approach installed by the BT5000MK11, a printer can be added to the system providing your customer with an official printout of his brake performance.

Firmly established as the benchmark for motorcycle MoT testing, the BT5000MK11 is sure to increase customer confidence and hugely improve company profile – as well as giving you the accurate and consistent readings you want – time and time again.

- Motor (1ph) 1.5Kw 1ph 220/240V
- Approx. pit dimension L880 x W900 x D330mm
- Approx. console dimension H400 x W500 x D120mm
- Max. axle load 1000kg
- Unit weight including bed, console and packing 170kg

WS5000 MOT WEIGHING SCALES

Digital weighing scales for MoT use, a large platform with low profile design and run up and down ramps to allow ease of use, the unit has 300kg payload and a remote digital display with internal rechargeable batteries. Robust construction with workshop use in mind ensures reliability of this product.

BT5000BC DECELEROMETER for Linked Brakes & Quads

- Measures Peak Deceleration Front / Rear
- Measures Average Deceleration Front / Rear
- Calculates Stopping Distance (metres or feet)
- Calculates Test Speed (kph or mph)
- Audio Signal
- Battery charger supplied
- Operates for one hour or approx.
- 120 tests on full charge
- Can be used after 5 minutes of charging
- Automatic level compensation
- Easy to use
- 'Calibration Required' indicator • Three digit readout • Internal self diagnostics

PRICE LISTS

MoT Equipment		
MOT1	MoT Survey consisting of site visit, drawing and advice.	£255.00
BT5000W	MOT Roller Brake Tester, c/w Remote control inc. weighing facility	£6,850.00
BTP2	Printer for above	£460.00
RS5000	Headlamp tester, rail mounted	£925.00
WA5000	Wheel alignment bars	£195.00
RP5000	Turning plate, bearing type	£135.00
MOTAP	Ancillary Pack (consisting of notice board, pressure gauge etc etc	£380.00
BT5000BC	Decelerometer for Linked Brakes & Quads	£495.00
MOTST	Mot Inspection Stand c/w all makes adapters	£395.00
BTPED	Brake Tester Pedestal	£395.00
WS5000	Mot Weighing Scales 300kg c/w Ramps	£595.00

Lifts / Workbenches		
EG350P	Hydraulic Workbench Scissor Lift Foot Operated 350kg	£1,395.00
EG500XE	Moto Cross—Off Road Lift/Showroom Display	£2,450.00

EG600	Electro Hydraulic Workbench Remote Control 600kg	£2,379.00
EG600HCFE	In Ground Lift c/w Safety Sensors	£3,085.00
B400QD	Quad/Kart Lift Foot Operated 400kg	£2,075.00
B-ONE	Electro Hydraulic Mower & Quad Lift	£3,695.00
EG600SE	Side Extensions for EG Range	£3,955.00
EG600TR	Tie Rails For EG Range	£195.00
EWCA	Front Wheel Clamp Automatic	£345.00
EWCM	Front Wheel Clamp Manual	£290.00
ST02	Super Titan Scissor Jack Pro Quality c/w Accessories	£228.00

Wheel Service Equipment

T250M	Swing Arm Motorcycle Tyre Changer entry level	£1,695.00
T520M	Swing arm Motorcycle/Car Tyre Changer Professional	£2,220.00
T3000M	Tilt Arm Motorcycle Tyre Changer Automatic Professional	£2,595.00
MH320	Easy Mont Pro Arm For T3000M	£1,025.00
RS202	Computer Wheel Balancer (M/C)	£1,910.00
RS202SPW	Spin wheel motor for RS202	£550.00
RS1200	Computer Wheel Balancer Motorised (car) inc M/C Kit	£2,875.00
4201431	Adapter Ducati/Triumph/BMW4 (RS202)	£406.00
STDADKIT	Standard Motorcycle Adapter Kit for RS1200 (No monolever Kits)	£630.00

General Workshop Equipment & Diagnostic Equipment

C150	Compressor 150 ltr Tank - 12CFM, 145 PSI (UK Made)	£775.00
WO-1	Waste Oil Unit (height adj with swing arm, 45 ltr capacity)	£795.00
BASM20T	Turbo Parts Cleaning Tank	£335.00
BAAP 1215	Static W/bench 1.2m Long	£245.00
BI4	Fuel Injection Cleaning Ytesting Bench	£2,935.00
